PS As you know, I rarely ever discount anything that I do. But I want you to have this special offer as a sincere "Thank You" for giving us the pleasure of working with you. I am offering you this opportunity to save 20% on any photograph! Type www.beautiful-landscape.com in your browser now, type "return" and find your favorite photograph!

PS, PS: I have five unique decorated mats that I just created. I decided to upgrade the first five orders to these unique mats at no extra charge. These mats are "one of a kind" They feature southwestern decorative elements - feathers, arrowheads, turquoise and silver conchos. Each of these decorative elements is hand-made by Native American Indians -Navajos and Zuni Indians- here in Arizona. These elements are inserted into a "shadow box" area in the mat, under the photographs. I cut these special mats myself.

But, I have only 5 of these special mats as they are very time consuming to make. I want you to have one, because I believe you will love the effect they give to the piece and because you will enjoy this piece so much more! But I can only do so if you are one of the first 5 "Grand Canyon El Tovar customer" to place your order.

So don't wait another second. Type www.beautiful-landscape.com in your browser now, type "return" and find your favorite photograph! Then place your order, and if you are one of the 5 customers to take advantage of this once in a lifetime special offer you will receive your photograph matted in one of these uniquely artistic mats which are artworks in themselves (of course my photographs are art but many of my customers say that my matting and framing is art as well).

I am looking forward to hearing from you!
